General Information:

Theme, *Music with a Spanish Flair:* This is only a suggestion (not required) but something to consider as you are choosing your piece(s).

There is a 5 minute time limit per application; students may perform more than one piece as long as the time limit is not exceeded.

Students of all ages perform music outside the parameters of the normal standard repertoire. The intent is to showcase soloists and ensembles playing light music, such as show tunes, jazz, popular music and arrangements. Music that is not jazz, pop etc. should fit the theme of the recital. Any questions about repertoire should be directed to the chairperson.

Both solo repertoire and ensemble music are welcome. Ensemble members may include the student's teacher, parent, sibling, another piano student or instrumentalist.

The recital is free but donations would be appreciated and will be accepted at the door.

Music does not need to be memorized but should be **well-prepared** and **performance ready**. Students do not need to announce their piece(s) because there will be a printed program.

The program will be approximately one hour in length and performers should arrive 20 minutes before the recital.

The Chairperson reserves the right to review selections to be performed.
